

NATIONAL/INTERNATIONAL FELLOWSHIPS AND SCHOLARSHIPS (NIFS)

Why apply?

- Funding for undergraduate/graduate study
- Professional development (help with resume, essays, interviewing skills)
- Clarify graduate study and career goals
- Get a head start preparing applications for graduate study and other scholarships

What makes a competitive application?

- Academic excellence
- Record of leadership and public service
- Research experience
- Meaningful participation in extra-curricular activities

What we do:

- Recruit students for prestigious awards
- Help students with the application process
- Provide feedback on application materials
- Interview preparation
- Coordinate campus selection process
- Compile and submit application materials

How to begin...

- Start early
- Review the NIFS website for scholarships
- Contact the NIFS office to set up an appointment or refer a student
